

Dear Fellow Meridian Parents,

In just six months, Meridian High School will graduate its first-ever class that spent senior year in the new high school! We are so proud of the Class of 2022 - they've had a roller coaster of a high school experience and we can't wait to see where their resilience takes them!

We have a decades-long tradition here in Falls Church City of throwing our graduates an inclusive for all and safe All Night Graduation Celebration (ANGC) the night of their graduation. The ANGC provides an alternative to typical "grad night" parties that often include alcohol, drugs, driving between multiple locations, and other unsafe risky behavior. This year, our party will begin at 9:00 pm and last until 5:00 a.m. and will include a hypnotist show, casino games, food, carnival games, and much more! Many graduates have said it's one of their best memories of high school.

Since the high school PTSA began hosting the All Night Grad Celebration, the Falls Church City community has not had an alcohol- or drug-related injury or death on graduation night. Please help us continue that tradition of keeping all our kids safe.

ANGC is fully funded by parent and community donations. Our goal is to raise \$25,000, which will allow us to keep ticket prices for the graduates affordable, provide free tickets to those that need it, and ensure that once they enter the door, everything is free.

Even if you don't have a senior this year, we still need your help. Graduating seniors are your neighbors, your friends' kids, your babysitters, the athletes you see on our playing fields, the musicians and performers on our stage, and the role models to which your younger children look up.

Please consider a donation to the 2022 All Night Graduation Celebration. We have several donor levels, so there is something almost every family can afford.

If you have any questions, please email MeridianANGC@gmail.com. Thank you for your support!
